

Summary of Benefits & Coverage

As an employee, the health benefits available to you represent a valuable component of your compensation package. They also provide important protection for you and your family in the case of illness or injury.

Your plan offers a series of health coverage options. Choosing a health coverage option is an important decision. To help you make an informed choice, your plan provides a Summary of Benefits and Coverage (SBC), which summarizes important information about any health coverage option in a standard format, to help you compare across options. The SBC is **included in the open enrollment booklet available via the News section of the Human Resources section of the MyID dashboard**. You may also request a copy by emailing hrbenefits@sva.edu
